

4 Square Volleyball:

1.3 Net/Wall Games

Novice	Intermediate	Advanced
MS.N.1.3: Demonstrate in a modified activity the basic skills and tactics used for net/wall games.	MS. I.1.3: Apply the proper technique and position to properly perform a variety of shots in a modified game (e.g. utilizing the appropriate shot in volleyball-overhead pass or forearm pass based on position of teammates).	MS. A. 1.3: Execute a strategic shot based on the desired outcome in a complex situation (e.g. lob shot, passing shot, or drop shot in tennis).

Level	Suggested Task
N-1	Students will perform a legal “bump” with a closed hand off multiple bounces and are allowed to double hit if necessary. Underhand toss serve to start play.
N-2	Students will perform a legal bump off two bounces or less and are allowed to double hit if necessary. Underhand toss serve to start play.
N-3	Students will perform a legal bump off one or less bounce and are allowed to double hit if necessary. Underhand toss serve to start play.
I-1	Students will be able to position themselves under the ball to perform a bump and are allowed to double hit if necessary. As a group, five or more consecutive hits should take place. Soft underhand serve to start play.
I-2	Students will be able to position themselves under the ball and perform a bump to a teammate. As a group, eight or more consecutive hits should take place. Soft underhand serve to start play.
I-3	Students will be able to position themselves under the ball and perform a bump to a teammate. As a group, ten or more consecutive hits should take place. Soft underhand serve to start play.
A-1	Students will perform a bump or a set with correct technique. As a group, five or more consecutive hits should take place. Soft overhand serve to start play.
A-2	Students will perform a bump or a set with correct technique. As a group, ten or more hits should take place. Soft overhand serve to start play.
A-3	Students will perform a bump to a teammate off the serve, the second student must perform a set, and the third student performs a bump (alternating bump, set, bump). Soft overhand serve to start play.
